**EYFDM EXCHANGE AWARDS
HIPPOKRATES & CAROSINO AWARDS
2024**

GOAL & GENERAL INFORMATION

Connecting doctors around the world is key to maintaining educational and cultural exchanges while gaining a deeper understanding of yourself and those around you. Strengthening international relationships while sharing ideas is key to what the European Young Family Doctors' Movement (EYFDM) promotes. For this reason, we are delighted to open the call for the EYFDM Hippokrates and Carosino Exchange Awards 2024.

Hippokrates Exchange Award

EYFDM awards the best Hippokrates Exchange that has been completed within Europe at an urban practice in 2022-2023

Carosino Award

In memory of Dr. Claudio Carosino, EYFDM and EURIPA offer a prize for the best completed Hippokrates Exchange in a rural practice in 2022-2023

Rural Practice - An exchange is considered to be in a rural placement if it has been taken place in a town with less than 50,000 people and in an area that is populated by less than 50/km².

The term 'rural' is interpreted differently in different countries and you are welcome to discuss this further with Yanica Vella, our exchange officer, on exchange@eyfdm.eu, if you have any concerns about the location of your exchange.
